Questions:

Please answer all of the following questions in a separate document. Know that we will likely have more applications than spaces available, so take this application very seriously. Allow adequate time to prepare and answer these questions thoughtfully. The Chapel's Student Ministry staff values honesty, sincerity, and humility in your answers. Try to avoid telling us what you think we want to hear.

1. Our mission at the Chapel is to make disciples, so how would you describe the discipleship process to someone that wants to know what it looks like to become a disciple of Jesus Christ? (give examples from your own life if you have them.)
2. What do you think the greatest challenge is in working with teenagers, and why?
3. Describe how the following items could be used to create an exciting competition for a group of 50 middle school students (you may use additional supplies but have to at least use these): a) Box of 100 straws, b) 2 rolls of masking tape, c) 6 buckets, d) 6 sleeping bags, e) box of q-tips

4. Why do you want to be a Student Ministry Summer Intern?
5. Read the following description of the goals of the summer internship and answer which goal you are most excited about, and why.

*The discipleship-related goals of the Internship are as follows: learn, serve, grow, discern, and sacrifice. The interns will **learn** by participating in all aspects of Student Ministry and paying close attention to the lessons embedded in each experience. The interns will **serve** high school, middle school, and college students through event set up, relationship building, bible studies, and by being available to fulfill any need as it arises. The interns will **serve** the staff by assisting them in the completion of projects and other duties as assigned. The interns will **grow** in their relationship with Jesus by getting into God’s Word and God’s Word getting into them through completing bible study assignments and through weekly discipleship meetings with senior leaders at the Chapel. The interns will **discern** a possible call to vocational ministry and how they can be ministers regardless of their chosen vocation through their time with the Student Ministry staff and through meetings with a select group of Chapel families representing a wide range of vocations. Finally, recognizing that **sacrifice** is an essential part of what it means to be a disciple, we do not apologize for asking the interns to go above and beyond their “job description” to serve the Church of Jesus Christ. We unapologetically ask them to work very hard for a brief season in their life in the hope that they may experience the joy that comes from sacrificial living. In summary, we have sought to provide a comprehensive ministry training opportunity to help a group of faithful, available, and teachable people become fully committed and reproducing disciples.*
