Williamsburg Community Chapel Children's Ministry Summer Internship Description

The mission of Williamsburg Community Chapel Children's Ministry is to partner with Jesus and families to make disciples by:

1. Meeting all children where they are. (CONNECT);
2. Helping children to grow to their full potential in Christ through knowing God and understanding His Word so they can respond in faith to a personal relationship with Jesus. (GROW);
3. Providing opportunities to discover and develop their gifts so they will desire to care for the needs of others and share their love of Jesus with everyone. (SERVE).

The summer internship provides a unique opportunity to introduce interns to children's ministry, as well as to provide some necessary support to the staff as they prepare for Sunday mornings and Vacation Bible School (VBS)--a major summer event open to the community. The Children's Ministry Summer Internship serves the dual purpose of making disciples and offering service to assist the staff during one of its busiest times of year.

INTERNSHIP GOALS

Goal #1 – LEARN

Summer Children's Ministry interns will learn by participating in all aspects of the Chapel's summer Children's Ministry programs, learning the principles and lessons associated with leadership, preparation and execution for each experience.

Goal #2 – SERVE

Interns will serve children and volunteers in preschool through Grade 5 through program preparation and set-up, relationship building, and availability to fulfill any need as it arises. Interns will also serve the staff by assisting staff in the planning and completion of programs and projects as assigned.

Goal #3 – GROW

Interns will grow in their relationship with Jesus by getting into God's Word and God's Word getting into them through completing assignments from scripture and selected readings, as well as through attending weekly meetings with the lead pastor and other staff to share and apply His Word in community.

Goal #4 – DISCERN

Interns will discern a possible call to vocational ministry and/or an awareness of how they can prepare themselves for ministry regardless of their chosen vocation.

Goal #5 – SACRIFICE

Interns will recognize that sacrifice is an essential part of what it means to be a disciple. Interns may be asked to go above and beyond their "job description" to serve the Church of Jesus Christ. We unapologetically ask interns to work very hard for a brief season in their life in the hope that they may experience the joy that comes from sacrificial living.
