CHAPEL BULLETIN

SUMMER BIBLE STUDY
MINOR PROPHETS

God’s people have always needed truth tellers. God’s people have always needed stern calls to repentance. God’s people have always needed reminders of God’s faithfulness to the very end of the age. In the Old Testament, God provided prophets to meet these needs. One could summarize the work of the prophets in three words: reality, grief, and hope.

This summer we are studying a small section of the Old Testament known as the Minor Prophets. Despite beginning as separate books, they were traditionally sewn together into one scroll. The unity of the scroll from which ancient rabbis taught these books points to their unified message of God’s steadfast faithfulness and unyielding determination to rescue His people. Today we see their unity pointing us to God’s ultimate rescue plan, Jesus Christ.

Join us on this journey exploring the reality, grief, and hope about which these prophets speak. Our prayer is that our journey together will lead us to our ultimate hope: God, made known in the person of His Son, Jesus Christ.

Our Mission & Vision Williamsburg Community Chapel is an interdenominational family of faith called to make disciples of Jesus Christ by: meeting people where they are on their spiritual journey (🔗 connect), getting people into God's Word and God's Word into people (🌱 grow), and preparing believers for works of service to foster unity and maturity in the Body of Christ (🙌 serve). — MAT'T. 28:19-20, EPH. 4:12-13

COLLEGE MINISTRY

At the Chapel we believe that we grow as disciples of Jesus when we pray, study
God's Word, worship, share God's Word, serve and spend time together in
community. The testimony below is a wonderful example of how this is lived
out in our college ministry.

*"As we all know, summer is a time for relaxation which is
great, but can also sometimes distract us from keeping our
relationship with God as strong as it is during the year. I am
an incoming sophomore at William & Mary. I joined Tribe
Fellowship (TF) about halfway through this past year, and it
has already had a huge impact on my life. I came into college
wanting to find a faith-based community where I could feel at home, and that
is exactly what TF has been for me. Being in this community gives me a time
each week where I can take a breath and remember that the true 'abundant
life' is one with the Lord, surrounded by those who both have and want to have
a relationship with Him. I can't wait to see how God is going to work in TF
this year, and I'm so thankful I get to be a part of its growth throughout the
William & Mary community!"* — ASHLEY TAYLOR

If you would like to be a part of serving our college family through Tribe
Fellowship or our Adopt-a-Student ministry, please contact Isaiah Thomas,
