

WILLIAMSBURG COMMUNITY CHAPEL'S

Discipleship Program Priorities

The Williamsburg Community Chapel is called to make disciples of Jesus Christ. In an effort to effectively follow this calling, we have created three Discipleship Program Priorities to better focus our activities and unify our body as we partner with Jesus in making disciples. We trust that these program priorities will enable us to create an environment in which disciples are made as we Connect, Grow, and Serve.

Matthew 28:19-20, Ephesians 4:12-16,
1 Corinthians 3:6

connect • grow • serve

List of Priorities:

1. **Number of new members:** Membership helps people connect and reflects a deeper commitment to Christ and community.
2. **Percentage of attendance in groups:** Groups create an environment for greater growth in Christ.
3. **Percentage of attendance serving:** Serving involves making sacrifices that develop connections with others and provide opportunities for growth.
