

Dear Pastor Travis Simone and the Chapel congregation,

Allow me to introduce myself. My name is Jose Domingo Lara, the pastor of the Verbo Church in Leon and the Verbo Church in Posoltega. I labor for the Lord with the support of my wife Nubia and my son Jose Augusto.

I want you to know that even though the work is not easy, we are able to do His work because of our Lord Jesus Christ, who gives us strength and wisdom. It is an honor for us that you would write us and ask us to share with you, so we do with humility and grace.

I present to you our picture of the church; always trying to do His will.

1. As a church, we strive to unify ourselves in Him, in order to present a true testimony to the world.
2. By fixing our eyes on Jesus, we find strength daily to fight and overcome the obstacles we face.
3. As a Church, we band together to live out the mandates of Jesus in society. For example; we feed the children in our feeding center. We also serve our youth through sports, and the teaching of God's Word, to separate them from their addiction and bad habits.
4. As a Church, we accept the challenge of Jesus when he said that we "may be one" just as the Father and Jesus are one (John 17:21) and that there should be "no division as we are of one mind and one thought." (1 Corinthians 1:10)
