Elder Advisory Council • Thank you to the many Chapel members who have volunteered for the newly-forming Elder Advisory Council, which we hope will provide the elders with ready access to a fuller range of congregational perspectives than the current makeup of our elder team provides. To fill out our Council, we are specifically asking for additional volunteers from our younger members and our members who are of the minority population. We really want and need to hear your voices — so please let us know if you're willing to participate by going to wcchapel.org/eac and filling out the very brief application form today.
