

# WHO AM I FOLLOWing?

The mission of the Williamsburg Community Chapel is to make disciples. Simply put, a disciple is someone who follows Jesus. Natural questions that arise from such a declaration are, “Who is this person that I am following? What is He like? Is He worthy of my life?” This series will answer these questions by focusing on the nature of God, His character, and how He works in the world. Each sermon will take an episode from the Gospel of Mark and examine what that passage reveals about God, who revealed Himself in Jesus.

Baptism is an outward expression of an inward transformation. The Chapel's Mission Statement is based on the Great Commission found in Matthew 28. In this commission, Jesus gives one command with three applications and one promise. The command is to make disciples, and

we do this by going, baptizing, and teaching. In light of this command, we believe the role baptism plays in this discipleship process is that it gives people the opportunity to publicly proclaim how Jesus has transformed their lives. In a few weeks we are having a Service of Baptism. Our hope is that as we experience this Service of Baptism and witness these testimonies of transformation, we will be reminded of the truth of Jesus' promise at the end of Matthew 28 that He is surely with us always, even to the very end of the age.
