

Small Group Questions for the Week of December 14, 2014

The following questions are based off of this week's sermon. Please listen to the sermon prior to Small Group.

Please read all of Daniel 3

1. How do you spell the name of the King of Babylon? (Just wondering if I am the only one with a spelling problem.)

Please read George Muller's Quote:

"The beginning of anxiety is the end of faith, and the beginning of true faith is the end of anxiety."

2. What is your initial response to this quote?
3. If Muller's quote is true (and it seems to align with Philippians 4:6-7, 2 Tim 1:7 & Romans 8:15), then why do so many believers still struggle with fear?

NOTE TO LEADER: We as believers are very capable of going back to old habits that are driven by fear (i.e. anger, impatience, withdrawal, alcohol and many other destructive habits.) We forget that we have been transformed and we allow fear to take over again.

4. How you ever asked yourself why you do the things you do? Why do you do the things you do?
5. I have heard it said that there are only two motivations in life...fear and faith. Do you think this is true? Why or why not?
6. How do you typically respond to fear? (You can include your good responses and your bad.)
7. In order to respond in faith rather than fear, we must remember that we serve the Most High God and He has transformed us by the power of His Holy Spirit. What good habits do you have in your life that help you remember that you serve the Most High God, and He is able to handle whatever comes your way?
8. Do you ever let fear keep you from sharing Jesus with others?

Close by praying that God might give us the faith to do whatever He is calling us to do.
