The Gospel in Life | Living Gospel (Rm 16:21-27)

1. Travis asked, "Have I embraced the Gospel?" If you haven't, what is holding you back? If you have, what was the tipping point for you?
2. Read Acts 16:2-3, 17:5-9, and 20:1-4, how have Timothy, Jason, and Sosipater embraced the Gospel in their lives?
3. Travis asked, "Am I established in the Gospel?" What does a life that is established in the Gospel look like? What is the difference between an embrace and a resolution?
4. Tim Keller says we have a natural programming that defaults us to works righteousness and self-saving. The only way to counter it, he says, is by deliberate action to live in "Gospel mode." How do you experience a drift to works righteousness? How do you attune to living by the Spirit?
5. What various ways of "recalibrating" can you offer to the group?
6. Travis asked, "Does my life echo the Gospel?" How can you, by simple invitation, echo the Gospel in your life? What does an invitation look like? Who should you invite?
