

# Spain

## Short Term Mission Trip

Where: Valencia, Spain

Date: July 6 – 15, 2017

Application

Deadline: May 1, 2017

Total Cost: \$2000

**Purpose:** We will be working with a new church plant (this is the first evangelical church in this community that was helped started by our current missions pastor) in the town of Picassent, in the metropolitan area of Valencia. Work alongside local believers as they minister to their community hosting a basketball camp, prayer walking, discipling the local believers, serving the needy, evangelizing and using hospitality gifts in a possible new unreached town.

**Skills:** This is a great trip for individuals as well as families with a willingness to serve. A love and knowledge of basketball would be a plus for some, but not essential. Individuals with good verbal Spanish who are willing to help with translating are also needed.
