#### NEW Small Groups

Small groups are a key aspect of our church community. Most meet weekly in the home of a group member (usually the leader's home). We try to keep them limited to about 14 people. If you can't find an open group, please let us know!

At the Chapel we believe that we grow as disciples of Jesus when we pray, study God's Word, worship, share God's Word, and serve together. These practices take root when we commit to the intentional relationships found in small groups.

"Our group helps us to be intentional about pursuing our relationship with God and furthering our faith in a busy season of life. It gives us an opportunity to slow down and digest the week's sermon or topic we're

"God has been growing us from being students of the Word to being students AND sisters in Christ. He is always revealing more that we have in common, and He's increasing our desire to share His light with people who don't know Him yet. No matter how tired or distracted I may feel when I arrive at small group, I always leave feeling energized, joyful and loved after experiencing God through the wonderful ladies in my group!" — Ashley Willis

"We look forward to getting together with our small group every week. Through our small group members, God has really been urging us to include service as a large part of our small group culture and to broadcast God's love outside the 'church walls'. We have been surprised by the amount of new couples God has brought to our group throughout the year and the willingness of our group to create an inclusive atmosphere. We seek to live life together in a Christ-centered community through studying the Word, fellowship, and serving." — Matthew and Sarah Burton
