

Greater Williamsburg Outreach Mission (GWOM) is a faith based organization dedicated to assisting our neighbors who are experiencing homelessness. Chapel is one of 22 faith groups that provide volunteers for the Homeless Day Center, "The Harbor", located at St. Bede's Outreach Center, 10 Harrison Ave. GWOM opened the Harbor in mid Oct of 2015. The center has one paid coordinator. All other jobs are served by volunteers. If you have interest in serving, please contact Kelli Mitchell-Digges for more information. kelli.gwom@gmail.com.

The Harbor is open Monday through Thursday 10:00-2:00, year round. In another two to three months, it will be open on Friday as well. Breakfast and lunch are served. Other provisions are showers & hygiene kits, computers for job searches, storage of personal items (such as a winter coat in the summer), a place to charge a mobile phone (to receive calls from prospective employers), place of respite from the heat or cold and access and referral to community services. Other services such as supportive employment programs, professional clothing closet, etc., will hopefully be added as the Harbor continues to grow.
