

Turkey

Short Term Mission Trip

Where: Istanbul, Cappadocia & Anatolia, Turkey

Date: Nov. 6 - 15, 2017

Application

Deadline: Aug. 1, 2017

Total Cost: \$1500

Purpose: Journey through three strategic and fascinating areas of Turkey, gaining a clearer vision of who the Turkish people are and what they believe. In Istanbul you will get a firsthand view of the religious history of Turkey and the spiritual life of its people today. Then in Cappadocia, see the caves where Christians worshiped in past centuries during times of invasion. Here you will also learn some very simple and natural conversation starters to try out, asking locals you meet in these small friendly towns about their views of Jesus. Then you will spend the last few days with our global partners in their city, Antalya. You will help their village neighbors harvest olives and make bread over a fire, dip your feet in the Mediterranean on a prayer walk through the city, and hear personal stories from locals who have chosen to follow Jesus. During this trip you will enjoy interaction with locals as you explore their land, and get a better understanding of what it means for our global partners to live out the gospel daily in a place like Turkey.
